

## **Chiseldon Local History Group Photograph Archive Terms of use by Members**

Our photograph archive is very much a work in progress but we are keen that as many members as possible should be able to access it.

Volunteers have spent many hours scanning photographs and recording what we know about them. There are many duplicates and poor quality images as well no doubt many mistakes. If anyone would like to help with editing and correcting we would be pleased to hear from you.

The images are in Jpeg format in folders of 100 and the information about them is on a separate Excel spreadsheet.

While many photos were given to us with the understanding they were to be used to further the CLHG aims and could be shared, others are not out of copyright and there are restrictions on how they can be used.

**We therefore ask that members agree not to share images without prior discussion with the committee.**

On signing this form, CLHG Members will be given a user name and password which will enable them to access the archive via the group's website; [Chiseldonlhg.org.uk](http://Chiseldonlhg.org.uk).

The password will be changed each year after the AGM and given to members on production of a current membership card.
